

Center for English As A Second Language (CESL)
Conversation Partner Registration Form
(For CESL students)

Having a Conversation Partner gives you a great opportunity to practice your English language skills with a native speaker and to learn about American culture from a member of the local community. This program is available for upper levels only (AE, EAP, GSE).

Conversation Partners meet at least **1 hour per week** in an informal setting. However, the more you meet with your partner, the better the experience will be for both of you. By agreeing to have a Conversation Partner, you are committed to meeting with your partner at least once a week during the term. Please remember that by signing up to this program, you are committing to meeting with your partner at least once a week for one CESL term (2 months).

We hope your experience with your conversation partner will lead to good friendships and help you improve your English skills. Please contact us if you have any questions:

- Email conversation@siu.edu
- CESL office phone number: (618) 453-2265
- CESL office location: Faner 3242
